08. Scholarships for International Students

(Admission scholarships are pre-applied as a deduction.)

Scholarship	Details	
Scholarship for International Students	Eligibility	- Applicants who applied through the international students admission and completed registration.
	Amount	- 30% reduction in tuition for 1 year
	Required Documents	- A copy of citizenship or passport (for both the applicant and their parents) - Documents verifying family relationships (If these documents are not in English, a notarized English translation must be attached.)
	Remarks	- Must maintain a GPA of 3.0 or above after admission.

Important Notes on Admission Scholarships

- ① Failure to submit the required documents by the specified deadline will result in disqualification from the scholarship, and admission may be revoked depending on the admission policy.
- ② Scholarships valid for one year can only be received during the first year after admission. If a student takes a leave of absence, the scholarship period will expire, and the student will lose their eligibility.
- ③ From the second semester onward, scholarships will be granted only if the student meets the required GPA criteria for each scholarship.
(Example) If a student receiving the scholarship for international applicants earns a GPA of 2.9 in their first semester, their scholarship will be canceled for the following semester.
- ④ Scholarships are only granted during the regular semesters and within the standard duration of study.
- ⑤ Scholarships cannot be combined with other scholarships.

- This guideline was originally written in Korean and translated into English.
In case of any discrepancies, the Korean version will take precedence.
